DETAILED ACTION

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

Praisner teaches a method and corresponding system for payment cards and related management systems. The cards have control settings that are managed and a purchasing management system with a request and approval workflow engine.

Praisner does not teach reducing, at the host computer, a subsidiary spending power in said subsidiary account by a subsidiary spend transaction amount; and reducing, at said host computer, said parent spending power by an amount less than said subsidiary spend transaction amount when said subsidiary account is linked to said parent account.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
